

Libertytown

Libertytown is a District Community nestled in the south central area of the Walkersville Planning Region of Frederick County. Libertytown encompasses the areas around the intersections of MD26, MD550, and MD75. Since Libertytown is not a Census Designated Place, a series of blocks were used in order to obtain the demographic profile of this District Community (see map below). The census blocks of Libertytown yield a population density of 178 people per square mile. When compared to the Census Designated Places of Frederick County, Libertytown has the 5th lowest total population, 1,069 residents. Compared to most other places in the County, Libertytown is unique in that there are more males than females; 51% of the total population and 49% of the elderly population is male. Libertytown holds 6th place for the lowest vacancy rate and the highest home ownership of other Census Designated Places in the County.
